

Update RIPE-206

- Based on LINX BCP 1999
- LINX BCP updated Aug 2004
- Update RIPE document to match
- Marked-up draft
 - `https://www.ripe.net/ripe/meetings/ripe-53/presentations/uploads/Thursday/tillotson-ripe-206_update_draft.html`

New LINX BCP v2.0

- http://www.linx.net/www_public/community_involvement/bcp/ubebcp_v2
- Extra text to cover activities in mutual support of UBE:
 - UBE about hosted Web sites
 - trading in bulk mailing tools and lists
- Requires abuse entries in RIPE DB
- Must not insist on Web submission of abuse reports
- Minor cosmetic changes

New LINX BCP v2.0

- Minimum modifications for RIPE
- Full RIPE PDP not needed
- Later:
 - Suggest enhancements?
 - Complete rewrite?
 - Feed back to LINX

Minimum modification

- Cosmetic changes
- Remove UK-centric items
- Small clarifications as suggested on mailing list

Process

- WG chair announces consensus
 - No fundamental change
 - RIPE NCC publish new document
- (compare RIPE PDP)
 - <https://www.ripe.net/ripe/docs/ripe-350.html>
 - Announce to list for discussion (4 weeks)
 - Last call (4 weeks)
 - Implement (ie publish)

Possible enhancements

- Changes in the problem
- Changes in good practice
- Make the words clearer
- Changes in RIPE?
- Anything to leave out?

Complete rewrite

- New headings
 - title "E-mail abuse"?
 - building relationships
(not just technology and complaints)
 - other sources?
- Length
- Target audience
- etc, etc

Complete rewrite

- Plenty of BCPs already
- Process – even more real work
- Feed back to LINX
